Sir:

RECEIVED

OFFICE OF PETITIONS

Applicants have been advised by way of a Notice of Abandonment dated August 27, 2002, that the present application has been held to be abandoned for failure to timely file a proper reply to the Office Action mailed on November 5, 2001.

~~It is respectfully submitted that Applicants' representatives never received the November 5, 2001, Office Action from the United States Patent and Trademark Office.~~

Applicants would like to remind the Petitions Examiner that the subject Office Action was forwarded to Applicants' representatives from the United States Patent and Trademark Office during a time period when the US Postal Service was in disarray because of a national anthrax threat.

Applicants filed an Associate Power of Attorney and Notification of Change of Address with the United States Patent and Trademark Office on November 14, 2001. As a result, Applicants respectfully request that the United States Patent and Trademark Office forward any future correspondence to the name and address listed thereon.

Under Rule 137 (b), Applicants are required to reply to the outstanding Office Action. However, Applicants are unable to file a reply to the subject Office Action because, as mentioned above, such Office Action was never received by Applicants'

representatives even though a designated employee of the Applicants' representatives personally checked once a day during that time period for any communications sent by the United States Patent and Trademark Office to its previous address. As a result, the entire delay in filing a proper response from the due date for the reply to the filing of this grantable petition was unintentional, and hence the abandonment of this application was unintentional.

The status of the above-identified patent application is other than a small business entity. Therefore, the required fee for this Petition under 37 CFR 1.17(m) is \$1,280.00. However, due to the national anthrax threat that significantly impacted delivery of US mail, ~~Applicants respectfully petition and request that the petition fee and any other fees chargeable hereunder be waived?~~

~~In view of the above, it is respectfully requested that the application be revived.~~

The Commissioner is hereby authorized to charge the fee under 37 C.F.R. § 1.17(m) and any other fees related hereto to Deposit Account No. 18-0013.

Please charge any fee deficiency or credit any overpayment with respect to this paper to Deposit Account No. 18-0013.

Respectfully submitted,
